

Yearbook Senior Page - Deadline February 24th

We are doing something new this year for senior pages. Seniors will each have a full page. You can either have a photo as your background or we can use a stock background. See next page for examples (borrowed from a friend, names were removed). What we need from each senior:

1. 2 Senior Portraits
2. 1 Baby Picture
3. 2-3 Photos between birth & now (ranked in order of preference in case we don't have room for all of them)
4. Write up/Thank you
5. Favorite Bible Verse (with reference)

The senior portraits can be casual or formal and can be in a vertical format (also called portrait format) or a horizontal format (also called landscape). **All photos sent need to be full resolution files (300 dpi with a minimum size of 1 megabyte, but larger is definitely better). No cell phone photos please.**

The senior write up can be a thank you to God, parents, teachers, &/or fellow students, or some combination thereof. Look at formal yearbooks for examples of the variety of write-ups seniors have done in the past.

Please get this information to the yearbook team by:

1. Sending an email to lifechristian.yearbook@gmail.com
2. Sharing a Dropbox file with lifechristian.yearbook@gmail.com
3. You can also upload your photos to LCA Dropbox using the link below:
